

PureFoam™

Instant Skin Sanitizer

Instant Skin/Hand Sanitizer and First-Aid Antiseptic

PureFoam™ instant skin sanitizer and first-aid antiseptic foam is highly efficacious and aids in the healing of minor cuts and abrasions without irritation. The instant sanitizer:

- ♦ Eliminates 99.99% of bacteria, fungi and viruses in 15 seconds or less
- ♦ Inhibits the growth of bacteria on the skin for up to four hours after use
- ♦ Surpasses FDA testing* protocols as a Health Care Personnel Handwash and a First-Aid Antiseptic
- ♦ Delivers fast-acting efficacy against a broad spectrum of microorganisms, including MRSA and VRE.
- ♦ Aids in the healing of minor cuts and abrasions
- ♦ Is free of Alcohol/CHG/PCMX/Triclosan® which have been proven to dry the hands with repeated use.
- ♦ Does not sting.
- ♦ Does not dry out or irritate skin, even with repeated use. In fact, it helps improve the condition of the skin with each use.

The Instant Skin/Hand Sanitizer and First Aid antiseptic is a “waterless” application foam, dries rapidly leaving your hands feeling great.
